

3D Fundamentals

Art Department/Iowa Falls-Alden High School

Teacher: Bethany Starkweather

Room: 211

Email: bstarkweather@ifacadets.net

1903 North Taylor Avenue, Iowa Falls, IA 50126

Phone: 641-648-6440

Course Website: <https://if-art.weebly.com/3d-fundamentals.html>

COURSE INFORMATION AND REQUIREMENTS

Course Description:

This course focuses on mediums that are “in the round” (thinking of work from all sides and that show form). This course is devoted to the exploration of jewelry, stained glass, sculpting, and other mediums considered 3D. Emphasis on design, creativity, and development of skills through projects.

Online Learning and Communication:

Projects, announcements, and communication for the course will utilize various online sites, such as, if-art.weebly.com (course website), google classroom, and students personal online portfolios. When you communicate by email, make sure you employ common courtesies (at first), including proper salutation and closing. Eg: Dear Mrs. Starkweather, thank you, your name. (This is just good practice for your future) I will do my best to respond within 24 hours on weekdays, and 48 hours on weekends. If you miss a project deadline because of a serious family emergency or for medical reasons and you would like to make up or receive an extension, please contact me in advance if possible, and within 24 hours of the deadline.

PROJECTS AND GRADES

Basic Expectations:

Assignments/projects must be turned in to be able to receive a final grade. Effort on assignments/projects meets requirements and is turned in on time. Classwork time is used wisely and tools/supplies are used correctly. At all times you are conducting yourself in a productive, responsible, and respectful manner. Failure to do these basic expectations will result in deductions from final grade, discipline notification on PowerSchool, and a parent/guardian may be contacted by email or phone for not meeting basic expectations.

Visual Art Standards:

<https://www.nationalartsstandards.org/>

Standards will be repeated through course projects, so you will have multiple chances at improving your score. A standard can earn you a score of 0, 1, 2 (Basic), 3 (Proficient), or 4 (Advanced). You are required to earn a 2 or higher on every standard assessed to pass the course.

ANCHOR STANDARD 1: Generate and conceptualize artistic ideas and work

ANCHOR STANDARD 2: Organize and develop artistic ideas and work

ANCHOR STANDARD 3: Refine and complete artistic work

ANCHOR STANDARD 4: Select, analyze, and interpret artistic work for presentation

ANCHOR STANDARD 7: Perceive and analyze artistic work

ANCHOR STANDARD 9: Apply criteria to evaluate artistic work

ANCHOR STANDARD 10: Synthesize and relate knowledge and personal experiences to make art.

Retaking a Standard:

If you are displeased with your score after the third time you take the standard you may complete an extra credit project until you get the score you want that is 2 or better. The retake should be done within two weeks of the standard being taken. You may continue to reassess but must always be done within two weeks of the last take.

To Pass the Class:

The students must pass every standard with a 2 or better during the semester to pass the class.

Make-Up Work Policy:

Art is a studio course and a large amount of class time is devoted to project time and one-on-one assistance, if you are not in class you lose out not only on project time but also time to seek assistance. When gone email Mrs. Starkweather to find out what was missed. When back at school from being absent stop in before school to investigate if there is a time available to make up project time.

The teacher holds the rights to change projects if necessary during the course
