## Color wheel

Step 1: Watch the video and record your learning on this document:

Color: \_\_\_\_\_

Hue: \_\_\_\_\_

Tint: \_\_\_\_\_

Tone: \_\_\_\_\_

Shade: \_\_\_\_\_

Step 2: Watch and do video on Mixing Colors

Step 3: Watch and do video on Mixing Tints

Step 4: Watch and do video on Mixing Tones

Step 5: Watch and do video on Mixing Shades

### Scoring:

Successful color wheels will have distinct color changes from section to section; there is a clear progress/ stepping up or down of colors. Successful color wheels will also be well painted with clean exact lines and solid paint colors in every section (no streaking or color changes).
